**JOTT NETWORKS NAMED FINALIST IN CTIA WIRELESS 2008®
E-TECH AWARD FOR INNOVATION IN CONSUMER APPLICATIONS
MESSAGING (SMS/MMS)/ MOBILE MARKETING**

Seattle, WA—March 26, 2008 – Jott Networks announced today that its Jott for BlackBerry application was selected as a finalist in the Third Annual CTIA Emerging Technologies (E-Tech) Awards.

The E-Tech Awards program gives industry recognition and acknowledges the best wireless products and services in the areas of Mobile CE (consumer electronics); Consumer Mobile Applications; Enterprise Solutions; Network Infrastructure; Mobile Widgets; and 4G. CTIA WIRELESS 2008®, takes place April 1-3 at the Las Vegas Convention Center.

The E-Tech Award Ceremony will take place on the Fashion in Motion stage in the Mobile Entertainment eXpo pavilion of the Las Vegas Convention Center on Wednesday, April 2 at 3:00 PM. A panel of industry analysts, media and technology experts reviewed nearly three hundred submissions from established and emerging companies and judged product entries based on innovation, creativity and vision.

The new Jott for BlackBerry application offers mobile professionals a fast, easy way to verbally reply to email messages. BlackBerry® smartphone customers with Jott accounts can download a small application file from the Jott.com website by pointing their BlackBerry® Browser to www.jott.com/bb. Once the application has been successfully installed, "Reply with Jott" will appear in the full email reply menu. When ready, the customer selects "Reply with Jott" and simply speaks his or her message. The reply is converted to text by Jott, and is then seamlessly integrated into the email and sent to the intended recipient(s). Jott for BlackBerry is currently in free Beta and available for BlackBerry® 8800, BlackBerry® Curve™ and BlackBerry® Pearl™ Series smartphones. Jott.com currently works with all major mobile carriers in the U.S. and Canada.

About Jott Networks

Headquartered in Seattle, WA, Jott Networks operates a voice to text service that makes staying organized and in touch easy. Jott allows consumers to simply and safely send emails and text messages while on the go, set reminders, organize lists, and post to web services with their voice. Since its introduction in late 2006,

Jott has made world class voice transcription accessible to anyone with a cell phone. Life is busy. Talk to Jott. Get Simple Back™.

About CTIA WIRELESS 2008®

As the premier global event representing the \$500 billion global wireless industry and the largest wireless show in the world, CTIA WIRELESS 2008 brings together all industries affected by wireless technology for three days of intense learning and networking. Visit www.ctia.org/ctiawireless.

CTIA-The Wireless Association is the international association for the wireless telecommunications industry, representing carriers, manufacturers and wireless Internet providers. CTIA is also recognized as the premiere producer of two annual technology events representing the complete wireless, mobile and Internet industries: CTIA WIRELESS 2008 takes place in Las Vegas April 1-3; CTIA WIRELESS I.T. & Entertainment 2008 takes place in San Francisco September 10-12. Visit www.ctia.org.
